ABOUT ME

Android developer with 6+ years of experience, I specialize in creating innovative, user-friendly mobile applications that solve real-world problems. My technical expertise includes proficiency in Java, Kotlin, and Android SDK, along with a deep understanding of Agile methodologies and modern development tools. With a passion for staying up-to-date on the latest trends in the field, I am committed to delivering high-quality solutions that exceed user expectations. Microsoft Azure-900 Certified and Certified Associate in Scrum Fundamentals™ (CASF™).
